## **EWR Membership Meeting For Midnight Technicians**

**There will be membership meetings, at the Union office, for the midnight technicians on Thursday, December 11, 2014. We will run two sets of meetings for those who wish to attend either before or after their shift. The first meeting will commence at 0830 on 12/11/14 (for those who worked Wednesday night) and the second meeting will commence at 1800 (for those who are coming in Thursday night) on 12/11/14.**

**Of course anyone else is welcome to attend.**

**On the agenda will be the following items:**

- **Contract Negotiations**
- **Local Issues/Grievances**
  - **Communication**
  - **Q&A**

**Please arrange your schedule so you can attend. We have been making the rounds and will be adding these type meetings for midnights on a frequent basis. There are too many rumors and mistruths that must be clarified. As we prepare to go back to the table, now more than ever is the time to stay informed with the facts, not be divided by the lies.**
